

RECOOP Visegrad Scholarship Program

General Information:

Visegrad Scholarship <http://www.visegradfund.org/scholarships.html>
Submission deadline on 31/01/2011.

In-Coming

Scholars from the following countries can apply for 1- to 4-semester Master's scholarships or 1- or 2-semester Post-Graduate scholarships at any accredited public or private universities in the Visegrad Group countries within the **In-Coming** scheme who are citizens of the following countries: Albania, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Croatia, Georgia, Macedonia, Moldova, Montenegro, Russia, Serbia and Ukraine

Scholars from the Visegrad Group

Scholars from the Visegrad Group countries can apply for 1- or 2-semester scholarships to all accredited universities in V4 countries others than those of their citizenship and permanent residence (**Intra-Visegrad** scheme) and to the following non-V4 countries (**Out-Going** scheme): Albania, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Croatia, Georgia, Macedonia, Moldova, Montenegro, Serbia and Ukraine.

Successful applicants within this scheme will receive scholarships of EUR 2,300/semester and the corresponding host universities/institutes receive EUR 1,500/semester/scholar

RECOOP HST Consortium IVF Scholarship Matching Fund

- a) IVF and RECOOP HST Consortium will publish the information about the possibility to get support for studies at medical institutions;
- b) Successful applicants within this scheme will receive IVF scholarships of EUR 2,300/semester and the corresponding **host universities/institutes receive EUR 1,500/semester/scholar from the International Visegrad Fund**
- c) IVF and RECOOP HST Consortium will inform the member organizations about the two contributions corresponding for the **host universities/institutes** in the amount of EUR 4.000/semester/scholar (EUR 1.500 by IVF + EUR 2.500 by RECOOP HST Consortium);
- d) Students will ask and would get an acceptance letters from the member organizations and apply for IVF scholarship;
- e) If a student is chosen, IVF signs agreement with the host institution and then sends to this medical institution lump sum of EUR 1.500/semester. The RECOOP HST Consortium sends EUR 2.500 after the research program (one page summary) was submitted to the RECOOP Scientific Advisory Board and the Board accepted the program.

Conditions

1. RECOOP HST funding would be related to life science studies in medicine and pharmacy.
2. The recipient of the scholarships would be master's students, PhD students and young researchers (post docs).
3. The RECOOP Consortium IVF Scholarship Matching Fund concerns only IVF scholars at institutions that are members of the RECOOP HST Consortium
